

MATH

You must complete pages 373-383 in your math workbook! Tear them out as you finish and staple them all together. Make sure you complete both the front and the back, complete every question, and do your very best!

READING

You must complete the comprehension pages and answer the questions that go along with them. Each story will have two long answer questions for you to complete, your answers must be at least five full sentences, make sense, and relate to the story it is based on.
